**Responses to QUESTIONS**

1. How are these current locations going to get out of an agreement if somebody submits a better price?

The RFP states:

*“The successful vendor must accept all entities that are interested in participating in the program for the first three years of the contract. This is to allow interested entities to honor existing contracts before signing up for the program.”*

2. How long do you expect us to hold the price?

The RFP states:

*“Any fees for the service must remain unchanged for at least three (3) years, with a “not to exceed” price for the five (5) year term.”*
